10:30 A.M. BEGINNER / INTERMEDIATE DRAFT WORK SEMINAR

"First Draft Part 2" is the next step for beginners (and intermediates) who want to become happy working draft teams.

We will work with all teams in groups and on an individual basis to progress through as many training steps as they are willing to try, and prepare you to continue your own training. We will have a variety of gear on hand, as well as some seasoned teams demonstrating teamwork in the sport of draft. It is most helpful if participating teams at least have their own harness and traces to use during training exercises (but not required).

In this seminar we will be working on:

| <input type="checkbox"/> Basic Commands | <input type="checkbox"/> Group Stays |
