10:30 A.M. INTRODUCTION TO DRAFT WORK SEMINAR

"First Draft - Part 3" is the next step for intermediate teams who want to become more proficient at draft work.

We will work with all teams in groups and on an individual basis to progress through as many training steps as they are willing to try, and prepare you to continue your own training. It is most helpful if participating teams have their own harness, traces and cart or wagon to use during training exercises. In this seminar we will be working on:

| <input type="checkbox"/> Control with Distractions | <input type="checkbox"/> Conditioning |

Our goal is to transform you and your dog into a proficient and happy draft team!
