EVENT INFORMATION

- These ATT Tests are being held in conjunction with the Bernese Mountain Dog Club of Northern California's Working Dog Weekend. A BMDCA Draft Test will be ongoing adjacent to the AKC ATT Tests from 7:00 AM until 5:00 PM. We ask for all ATT participants to be considerate of other exhibitors on site at all times.
- If you are entering the ATT Test(s) and also exhibiting in the Draft Test, we will try to make accommodations for possible ring conflicts.
- If you are only entering the ATT Test(s), please be considerate of the draft test exhibitors when entering and leaving the site and follow all site volunteers' directions. A map will be provided to participants of where to park and walk your dog while waiting for your test time.
- Dogs that are not in the testing ring must be leashed or crated and under control at all times. Designated crating areas will be provided but may not be directly ringside. Please be responsible dog owners and pick up after your dog(s).
- We also welcome volunteers to help with the ATT Test or the Draft Test on Saturday while you wait to test with your own dog(s)!
- Please bring your own water, beverages and snacks. This is a private site and there are no food options close by. A Draft Test Lunch (chicken enchilada casserole with salad, dessert and beverage) can be pre-ordered for \$11.85 at www.bmdcnc.org/calendar-2/nov-4-6-2022---gold-country.html (scroll down the page to the Meal Order area)

DIRECTIONS

As of the printing date of this Premium, Google Maps DOES NOT show the correct route to the site. You cannot reach this address from Power Line Road. Please follow these directions:

- From I-80, take the Auburn Ravine/Foresthill exit (Exit 121).
- Turn east onto Auburn Ravine / Foresthill Road. Continue straight on Foresthill Road for 15.9 miles.
- After passing Worton's Market, make a left turn onto Timberland Drive. Note that Timberland Drive takes a left and then right to stay on the Drive.
- Follow to the end of Timberland Drive and the driveway is on your right.

After you turn into the driveway, stop at the gate before entering the site as the Draft Test ring is directly inside the gate. Please do NOT honk your horn. A site volunteer will let you know if it is clear to pass and direct you to the ATT Test parking area.

ABOUT THE AMERICAN KENNEL CLUB TEMPERAMENT TEST

PURPOSE OF THIS TEST

The AKC Temperament Test (ATT) is a general temperament test for all breeds and mixed breed dogs that will assess the dog's reaction to a variety of stimuli. These stimuli will be in the following six categories: Social, Auditory, Visual, Tactile (touch), Proprioceptive (motion) and Unexpected Stimuli. The purpose of the ATT is to test for fear, shyness, inability to recover, and lack of cooperation. Desired traits are that the dog will be emotionally stable, inquisitive, appropriately social for its breed, biddable, and demonstrates the ability to recover from a startling situation in a reasonable amount of time. Dogs who show signs of aggression will not pass the test.

One purpose of the ATT is to educate dog owners about the temperament of their breeds. At each test, in addition to a title application form and their contact information on the evaluator's checklist, handlers complete the form labeled, "Your Breed's Temperament." The form includes a space for the handlers of mixed breed dogs to write about the temperament of their individual dogs. Clubs are required to print the Breed Temperament Guide (www.akc.org/akctemptest) and have copies on the registration table and/or a poster.

TEST INFO

The ATT is a noncompetitive pass/fail test. In a test, a dog must pass 3 test items in each of the six categories (total of 18 test items). These are selected from a list of 24 possible test items. All dogs who pass the ATT twice under two different approved ATT Evaluators may earn the AKC Temperament Test (ATT) Title.

COLLARS, LEASHES

Dogs may wear slip collars that are on the dead ring, buckle collars, martingales and body harnesses in the ATT. They may not wear prong collars, head collars, e-collars, or harnesses that restrict the movement of the dog. Leashes should be 4 ft. to 6 ft. long and should be made of fabric or leather.

DOGS THAT PASS CAN APPLY FOR A TITLE

Owners or handlers of dogs that pass the test both days may complete the AKC Temperament Test (ATT) Title Application available at the test or online.
